Bruce Lee Fan? Then Check Out These 3 Top Fitness Films About FightingWhen you want to get motivated for the gym there is nothing better than a good fitness film about fighting. These films usually have an inspirational training montage, lots of displays of athleticism and some kick ass fight scenes. In this article I share 3 of the top fitness films about fighting.. But what benefit would there be in avoiding activity when activity is required? Whatever it is, it seems logical that it is only of benefit to that which would benefit from our inactivity. And the only thing that would benefit from our inactivity is that which would have to pay a price for our activity; so pops a dampener in; a choice between two things that actually require no choice from us. A dilemma where there is no dilemma.. Everest, Mt. Kanchenjunga, Mt. Manaslu, Mt. I'm sure we all have at least one childhood memory of taking a big bite into a slice of watermelon, letting the juices drip down our chins and then spitting the seeds as far as we could across the backyard. Even now, there are few things better than a big bowl of cold watermelon on a hot summer day. But with research supporting a number of health benefits associated with the fruit, we have even more reasons to eat more watermelon..
